

didn't prepare when there was opportunity. They frantically tried to prepare at the last minute – really after the last minute – but it was tragically too late. And then Jesus repeats His former admonition, “*Be on the alert, for you do not know the day or the hour*” (Matt. 25:13).

When asked in eternity future, “Where were you and what were you doing when Jesus came?” every soul will remember. The remembrance of the prepared will be a source of utter joy, jubilation, and celebration. The remembrance of the unprepared will be full of regret, resentment, and bitterness. The reality check in it all is to consider where you are and what you are doing right now as a possible “freeze frame moment,” forever set in memory should the Lord return. It is likely that the reading of this article will be forgotten by this time next year, unless of course, Jesus returned right now. In that case, it would be remembered eternally. Should that happen, how would it be remembered – as a milestone to glory or a millstone to perdition? That depends on where you are and what you are doing as per relationship to Jesus as Lord and Savior.

As we continue GROWING IN GRACE together, let us be ever ready, always prepared, and constantly expectant. The Second Coming of Jesus is ‘writ large’ in the New Testament. It’s not a matter of ‘if’ but ‘when’. And when that ‘when’ arrives, the moment will be ‘writ large’ in every memory for eternity. How will we remember it? Indeed, every moment has the potential to be a forever “memory-in-the-making.” May we live as if each moment was the last, “*Looking for the blessed hope and the appearing of the glory of our great God and Savior, Jesus Christ*” (Titus 2:13).....

GEMS OF WISDOM FROM OUR FOREBEARS

“With the deepest feeling of my soul I can say that I am satisfied in Jesus now. But there is also the consciousness of how much fuller the revelation can be of the exceeding abundance of His grace. Let us never hesitate to say, ‘This is only the beginning!’.”

CHRISTIAN EDUCATION / CHILDREN'S & YOUTH MINISTRY UPDATE

The 2025 year-ending children and youth ministry calendar was highlighted by our “Children-Youth Christmas Program” on Sunday, December 14th. Children & Youth Ministry Director, Adam McCloud, organized the program around multiple sections of Scripture, music, and devotions. Our young people did a fantastic job and GCC, along with all the parents, are so proud.

As 2026 begins, watch, look, and listen for details about children / youth activities. Be sure to read Adam's column below for news regarding the “Grace Cadets” program.

Don't forget that Christian education is not just for kids. It is and must always remain a primary point of emphasis across the full span of life. Such emphasis is a regular part of all that we do at GCC, including Sunday School, Sun. AM Sermons, Sun. PM lessons, and Wed. PM Bible studies. May we always be lifelong learners of the Bible.

GRACE CADETS NEWS

As we step into this new year, I want to take a moment to say thank you to my Grace Christian Church family. Your incredible support and attendance at the children's Christmas program meant so much to our kids. Seeing the church filled with encouragement, smiles, and applause helped make the season truly special for them. Thank you as well for your generosity, kindness, and gifts throughout the Christmas season—you made my family feel deeply loved and supported.

As we look ahead to the year before us, there is a sense of hope and excitement for what God has in store for our children and youth. We have recently begun a new study focused on what faith really is and how our faith shapes the journey of our lives. Through stories, discussion, and reflection, they are learning that faith is more than something we talk about—it's something we live out every day as we trust God, take steps forward, and follow Him through every season of our lives.

Thank you for continuing to pray for, encourage, and invest in our next generation. I'm so grateful to begin this new year together, confident that God is at work and that the best is still ahead!

MISSIONS QUOTE

“God is pursuing with omnipotent passion a worldwide purpose of gathering joyful worshipers for Himself from every tribe and tongue and people.”

[by John Piper – in Let The Nations Be Glad!, 1993-2022]

MISSIONS UPDATE

As GCC begins 2026, our missions portfolio of support remains unchanged. Fourteen missions are being supported – 5 monthly and 9 on a rotating basis. In addition, 3 local missions are supported via donated items. Reports for December are as follows:

-Kay Cook reported delivery of 340 individual snack items to Ballad-HV Medical Center for the “Hospitality Snack Cart.”

-Jeff Arrington reported that 41 bars of soap are being held in inventory for the Sullivan County Jail Ministry “Hope Bags” to be distributed at year’s end. Our goal for 2026 remains at 1200+ bars.

-Robert Thompson reported that packages of Clorox / Lysol wipes are being held in inventory for the Andrew Johnson School “Clorox / Lyson Wipes Supply”.

Donated items from December’s “Warm Tree” have been delivered to Uplift Ministries. Uplift Directors Ronson and Sarah Griffin are on the calendar to speak on Sunday, January 4th for the evening service. In the days and weeks ahead we will once again commence participation in the “Sanctity of Life” emphasis sponsored by Agape Women’s Services. That emphasis includes the distribution of plastic baby bottles for \$ donations, as well as the collection of baby clothes, blankets, etc. Watch, look, and listen for more details.

As 2026 proceeds let us remember that the prayer support of our missions is as essential as the financial support. Moreover, let us be reminded that the Holy Spirit claims every Christian as a missionary right where he/she lives and works.

Be sure to check out the fellowship hall missions board as Jennifer Starnes keeps rotating information posted to help us remain missions informed, educated, and inspired.
